

Carriageway Repairs in Your Area

Road Surface Treatment

Bekesbourne Lane, Bekesbourne

When we plan to carry out the work and how long it will take

This is to let you know that, as part of the ongoing maintenance and improvement of the highway network, Kent County Council will be carrying out kerbing works in **Bekesbourne Lane, Bekesbourne** between **No. 1 and No 16 Lackenden Cottages**.

The work will commence on **Monday 18th July 2016** and should only take **1 week** to complete. This work will be carried out between **7:00am and 5:00pm**. This type of work can be affected by bad weather, so if it is not possible for us to carry it out at this time, we will arrange a new date and let you know via a letter drop to your home. We will also put up signs along the road before we start showing the date we plan to start work.

What we plan to do

We are going to renew the dropped crossing kerbs with a proposed upstand of approximately 40 mm above the carriageway channel level in order to help contain the surface water within the confines of the carriageway.

How you can help

During these essential works, it will be necessary to close the road completely, so that we can carry out the works safely for both the workforce and road users.

A diversion route will be in place via **Bekesbourne Hill and The A257 Canterbury Road**.

It is inevitable that residents and businesses near the works will experience some disruption, but we will try to keep these to a minimum. Access to properties will need to be restricted for a short period while work is carried out in front of each property. If you have any particular access needs, please let the workforce on the site know.

We need your help to make sure the work is done as quickly as possible and to the best possible quality. **If your vehicle is usually parked on the carriageway, please make sure you park it somewhere else away from the site whilst the works are carried out, so the road is clear for us.**

If you need more information, please call us on. **03000 41 81 81**

You can also visit our website www.kent.gov.uk/highways to find out how we look after the roads throughout Kent or report any faults you find on our roads.

For your safety and the safety of our workforce, please drive carefully and slowly through the roadworks.

WARNING – Beware Bogus Callers

Kent County Council Highways, Transportation and Waste do not allow works to be carried out on private properties. If anyone says they are working for us or our specialist contractors and offer to carry out any work for cash they should be treated with caution. We advise you to contact Citizen's Advice Consumer Helpline on 03454 04 05 06 (Monday to Friday 9.00am to 5.00pm)
